DIVIDEND

Shareholders, who were entitled to shares on the date agreed in the General Meeting (dividend record date), are entitled to a dividend for the given financial year. The dividend record date can be fixed in the general meeting either on the day of passing a resolution or during the next three months, counting from that day. The dividend is paid on the day stipulated in the resolution of the general meeting (dividend payment date). If the resolution of the General Meeting does not stipulate such date, the dividend is paid on the date fixed by the Supervisory Board.

The dividend within the scope of shares in exchange trading is paid through KDPW and entities responsible for accounts of shareholders' bonds. The dividend within the scope of registered shares is paid directly by the Company to the bank accounts indicated by the shareholders.

The Company's dividend policy is available in "Dokumenty Korporacyjne".
